RIYA KUMARI

FRONTEND DEVELOPER

PROFILE

Enthusiastic and dedicated college student with a strong passion for 5G technology and a proven track record of successfully completing impactful projects. During a recent internship, I gained valuable hands-on experience in the dynamic field of 5G technology, contributing to innovative solutions and staying abreast of the latest industry trends.

WORK EXPERIENCE

- **INTERNSHIP** 2023
5G Technology
 - Collaborated with a team of professionals to develop and implement 5G technology solutions.
 - Conducted research on emerging 5G standards and contributed to the design and optimization of network protocols.
 - Acquired practical knowledge of network slicing, edge computing, and other cutting-edge 5G concepts.
- **PROJECTS** 2023
Amazon Clone
 - Designed and developed a fully functional Amazon clone as a personal project, showcasing proficiency in HTML and CSS for front-end web development.
 - Developed detailed product pages with accurate product information, pricing, and dynamic image displays.
- Instagram Clone 2024
 - Successfully implemented the core structure of the Instagram clone using HTML, ensuring a clean and semantic markup for optimal accessibility and SEO.
 - Implemented a responsive design approach, ensuring the Instagram clone adapts seamlessly to various screen sizes, providing users with an optimal viewing experience across devices.
